STATINTL NOTE FOR:

STATINTL

Dick Lehman called at 1445 hours, 21 November, reporting success in getting Mr. Michael Deaver signed up SI, TK, Signed Secrecy Agreement attached.

Mr. Dean Burch has "dropped out of sight" and Lehman returned the blank (unsigned) Secrecy Agreement for him (attached).

STATINTL Dick Lehman added a new request. Mr. Deaver asked if he could have an alternate in L.A. briefed SI, TK, to serve in his stead on intelligence matters (PDB briefs) for President-elect. Name unknown. May be available this afternoon. Would you start name checks?

Alternate to be briefed no later than Monday.

Possibilities -

- Dick Kerr will fly out to L.A. tonight to brief. Kerr can sign up the alternate. He has blank forms; or
- have Field Office sign up the alternate.

I think it would be cleaner if we had Kerr sign up the alternate. Kerr will be on location and no time would be lost if the alternate doesn't show. Kerr will be staying over in L.A. so he will have more than one opportunity to brief the alternate.
